Yearbook staff pretends to be hard at work.

Yearbook

The 1974-1975 El Conquistador was produced through the combined efforts of Mr. Roper, advisor, the head editors Joni Brown, Pat Farrell, Tom States, Chari Geary, Cathy Callis, and Cindy Reagan, along with the rest of the staff. A year of hard work producing the yearbook, combined with a lot of fund raising activities, kept the staff of the yearbook very busy this year.

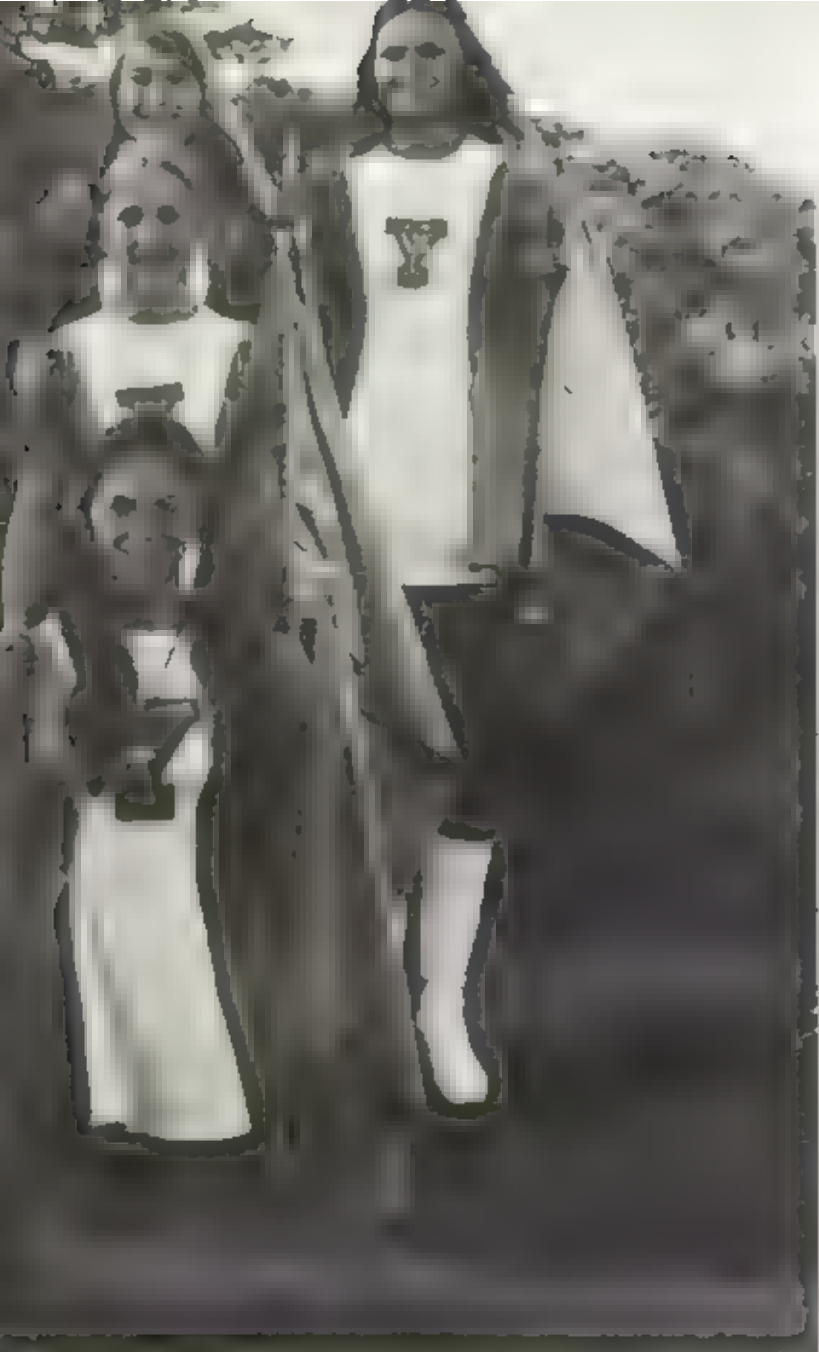

Is this the way Clark Kent got started?

T-Bird

This year, Mrs. Sicilio took over the job of advisor to the Thunderbird newspaper. The paper got off to a very good start, turning out the first issue during the second week of school. Under the watchful eye of Jim Poss, editor-in-chief, the staff worked hard to turn out an issue every other week. Mrs. Sicilio feels that the class did a very good job in meeting their goal of keeping the students fully informed.

Drill Team performs at pep rally

Drill Team

Six flag twirlers, four banner carriers, one majorette, and a large group of marching girls make up what is known as the Yucaipa High School Thunderettes. Operating under the experienced leadership of Cindy Bohannon, Drill Team Captain, the Thunderettes provided great pregame and halftime entertainment. Along with performing these things, the Thunderettes also had many other activities such as marching at local parades, and hosting many fun raising activities. Mrs. Brown was the advisor.

Band

The Yucaipa High School Thunderbird Marching Band learned many new techniques from the new director, Mr. Robert Grimes. Led by award winning drum major Chuck Menlev, and assistant Lee Burns, the band participated in many football half-time shows and competed in band review all over Southern California.

As of this writing, the band was working diligently in raising funds toward taking a trip to the San Francisco Bay area. They will perform there along with the Jazz Ensemble and Choirs.

Half-time Performers

Jazz Ensemble And Orchestra

Under the leadership of the new director, Mr. Grimes, both the Jazz Ensemble and the Orchestra learned many new songs and improved their talents. The Jazz Ensemble provided interpretations of many modern pieces at the Christmas Concert while the Orchestra performed many beautiful classics.

Choirs

The Girls Chorus, Concert Choir, and Madrigals make up the Yucaipa High School Chorus Department. These groups have performed at many community affairs, including, among others, a Christmas program held in the new gym. As of this writing, the chorus groups are trying to make money for a trip with the bands to the San Francisco area. On this trip they will tour on a bus, singing at various places along the way.

A lot of thanks goes to Miss Cook, the advisor for the three groups.

Marianne and friend.

Marianne Grotz-Exchange Student from Austria

AFS means a lot to me. It provided a great experience for me: a year in Yucaipa. Getting to know what life is like in an American town and making friends with the people was interesting and fun. Sometimes there were really confusing moments, but with everyone being friendly, it

was not hard to like it here. Taking part in the school life gave me an understanding of the American youth. Yucaipa High and all of its nice people enriched my horizon. I want to say "thank you" to everybody who helped to make this great year possible for me.

Yours always,

Marianne Grotz

A.F.S.

President Dee Ann Dart

Having bake sales, rummage sales, and sponsoring a car for the homecoming parade were some of the functions of the small but industrious high school chapter of American Field Service. Dee Ann Dart was the student leader with Mr. Thieboux as the adult advisor. A.F.S., working to broaden their concepts of other countries lives, sent representatives to idea workshops and met with A.F.S. members from all around the area. Yucaipa High School students appreciate being able to share the 74-75 school year with Marianne Grotz, a A.F.S. exchange student who came to us from Austria.

Key Club

Key Club is a service organization which is composed of members from ninth through twelfth grades. The Club was very active in our community as they went to work in Key Club's fiftieth year. The members of Key Club worked hard to carry out the theme for the 74-75 year: "Caring- Our Way of Life". Advisor Jack Brennan and President Brian Morgan worked with the club members to uphold their objectives of serving Yucaipa High School as well as the entire community.

Girls Service

Girls Service is a service organization made up entirely of senior girls who help with many school and community affairs. These girls were selected to participate on the basis of leadership and responsibility. President Betty Snyder and Vice-President Peggy Anton worked together with the rest of the club on various activities ranging from helping fellow students to serving at community breakfasts and dinners.

Drama

Drama Club this year has done very much to improve the theatrical talents of it's members. Under the direction of the new advisor, Mr. Archer, the plays "Aesop's Fables," and "Blithe Spirit" were performed. As of this writing, another play, "Bye Bye Birdie" is being planned. The club members worked very hard to perfect their acts, and were extremely successful.

Don't tread on me.

Say something in Spanish.

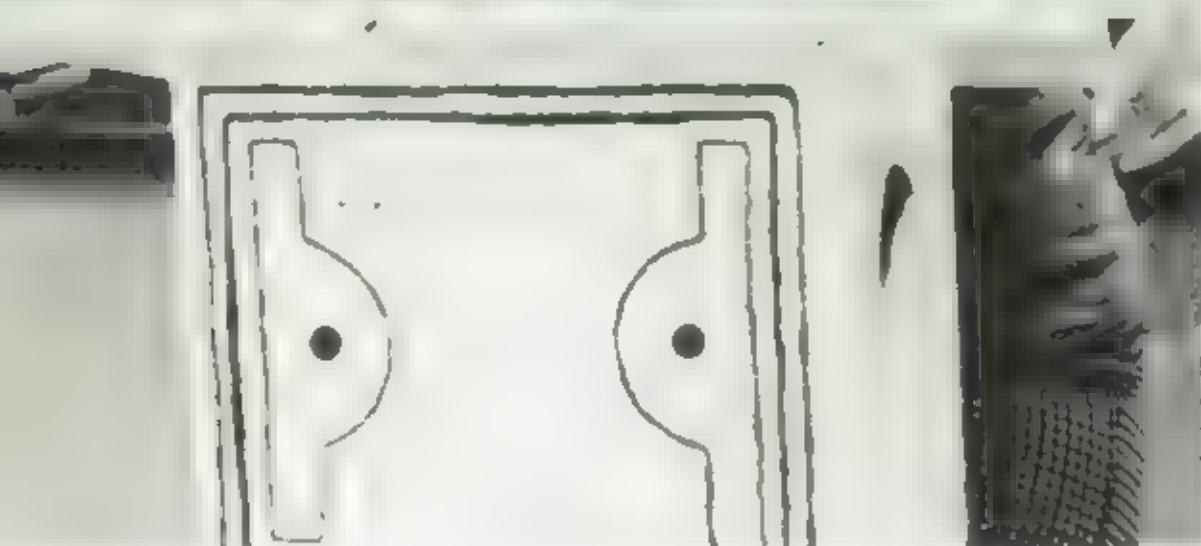

Language Clubs

Again, the Language Clubs worked in developing among its members an interest in foreign cultures and ways of life in other countries. The Spanish, French, and German clubs, led by Mr. Magana, Mr. Parson, and Mr. Strack, respectively, studied material and did many activities which related to the lifestyles of people in other countries. Many members were active in these activities, and not only had fun, but also profited from this great learning experience.

Speech Team

Hear no evil, see no evil,...

Sheldon pontificates.

Under the leadership of advisor Mr. Roper and officers Brian Mathis, Klara Foeller and Dee Ann Dart, the Speech Team had a very successful year. The team competed in over twenty tournaments throughout Southern California and grew to include more students than ever before in their history. Some of the recent additions to the team who had success in competition included Sue Carson, Sheldon Glass, Jeff Janssen, Brad Franklin, Doyle Dean, Stephanie Menzell, Lori Beaver, Liz Lane, Sandy O'Conner and Kris Carlisle. These, coupled with such experienced speakers as Cathy Callis, Cathy Semans, Melodee Copeland, Kevin Milroy, Cindy Bohannon, Dave Cofrancesco, and Holly Green not only made this years team stronger, but promise much for the future.

And here I stand...

G.A.A.

Although G.A.A. had no play days against other schools this year, they were still busily achieving their goal of furthering the athletic abilities of its members. With Mrs. Windsor and Mrs. Powell directing, the girls enjoyed themselves while they participated in many different sports.

Varsity Football

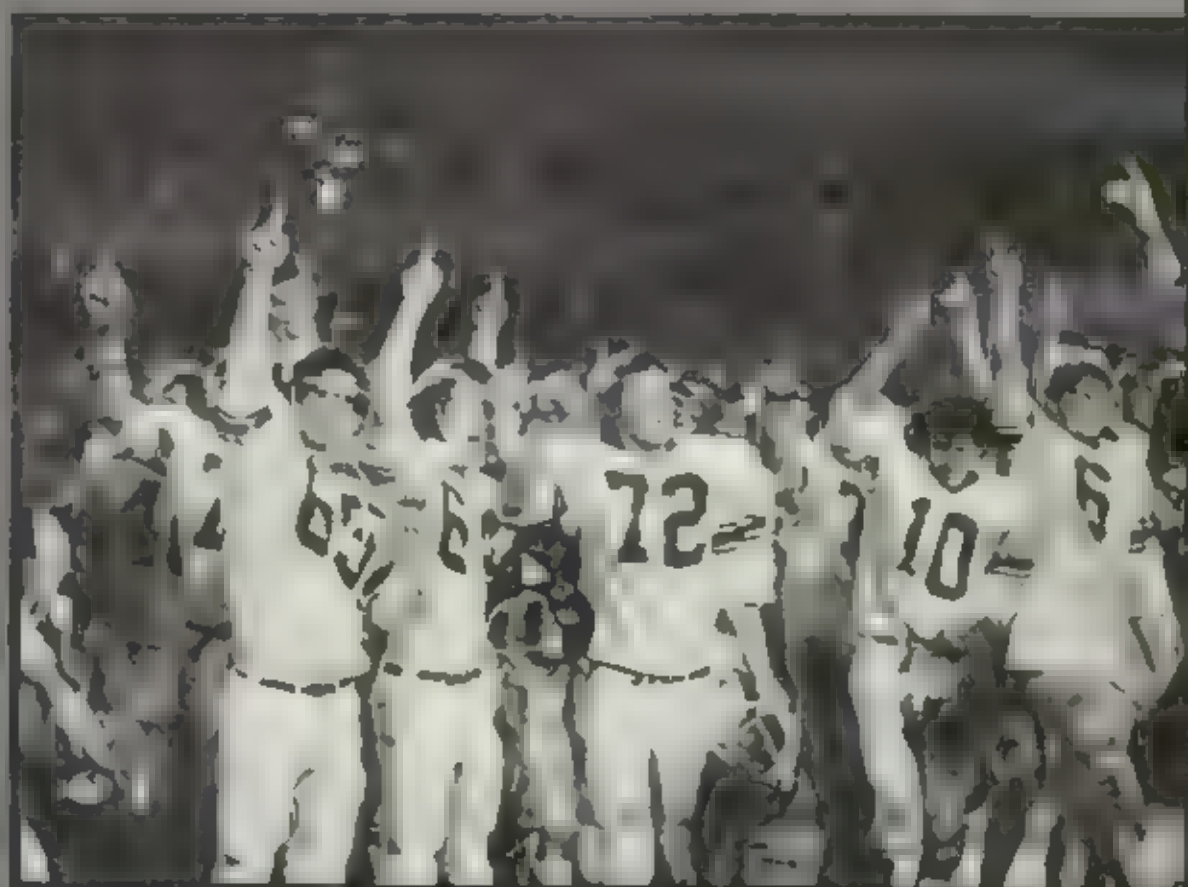

Under the leadership of coaches Miller, Rainey, and Taylor, the Varsity Football Team placed third in the San Andreas League with a 5-4 record. At the beginning of the football season, the T-Birds were rated first in the league, but due to many injuries, the team played most of the season without several firststring players. Dale Bouman, Mike Theis, and Greg Kuehl were all selected to the "All League" football team. Despite placing only third in the league, the team managed to qualify for the C.I.F. playoffs, and for the first time in Yucaipa's history, advanced to the second round of the playoffs. They did this by beating a team which was ranked third in C.I.F., University High of Tustin, by a score of 24-6. Many fine players who participated on the team will be back next year, and should put Yucaipa on top of the pack again.

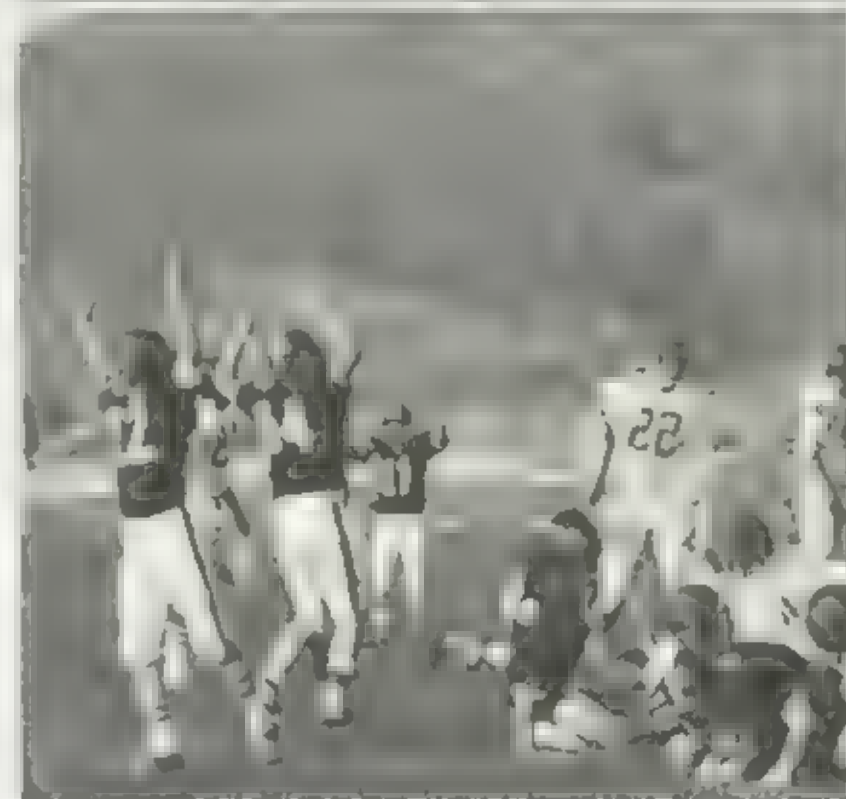

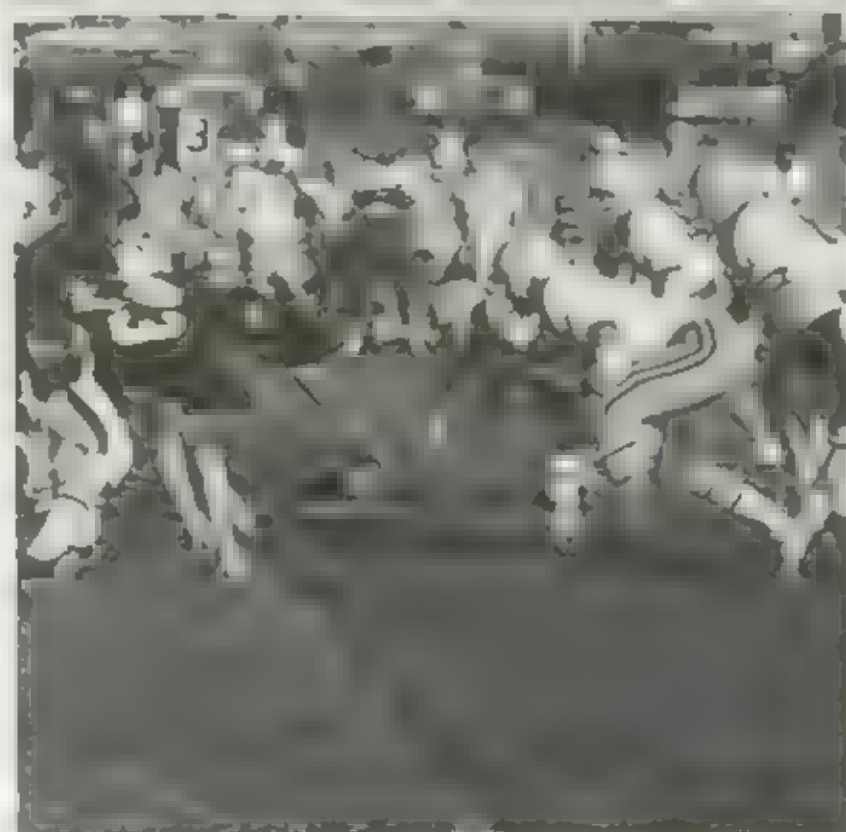

Junior Varsity Football

Yucaipa's Junior Varsity Football team had a very good '75 season. Under Coaches Davis and Likken, the team compiled a record of 5 wins and 3 losses, placing fourth in the San Andreas League. Quarterback Norbert Ramirez led the team in passing and rushed for 786 yards to win the Most Valuable Offensive Player award. Perry McCall was voted as the Outstanding Defensive Player. Many players have shown a great potential on the J.V. team this year, and will be competing with the Varsity team next year.

With two new coaches, Mr. Pizzica and Mr. Bastedo, the Wrestling Team didn't do as well as in previous seasons. The team compiled a 3-5 record, falling to sixth place in the league. Although the team experienced many disappointments as a group, many individuals placed high in league standings. Mike Theis, last year's CIF champ, captured first place in the league, and advanced to CIF prelims, and later to CIF finals. Dale Denos, the team's 106 lb. strongman also placed first in the league, which advanced him to CIF prelims. Frank Garcia, 98 lbs., and Joe Redman, 130 lb., placed second and third in the league, respectively. At the end of the season, these four wrestlers all won trophies. Mike Theis was awarded Most Valuable Wrestler; Dale Denos received the Most Improved trophy; Frank Garcia got the Most Consistent Weight Loss trophy, and Joe Redman captured the Most Dedicated award. With these wrestlers returning, along with many others, the future looks very promising for the Yucaipa High School Wrestling Team.

The winner of the free throw award was Junior Steve Miller, and other underclassmen Biaine Barton and Bennett Sperber led the team in rebounding and other departments.

Other award winners included team captain Greg Kuehl and Howard McClure, who won the Steve Trost Memorial Award.

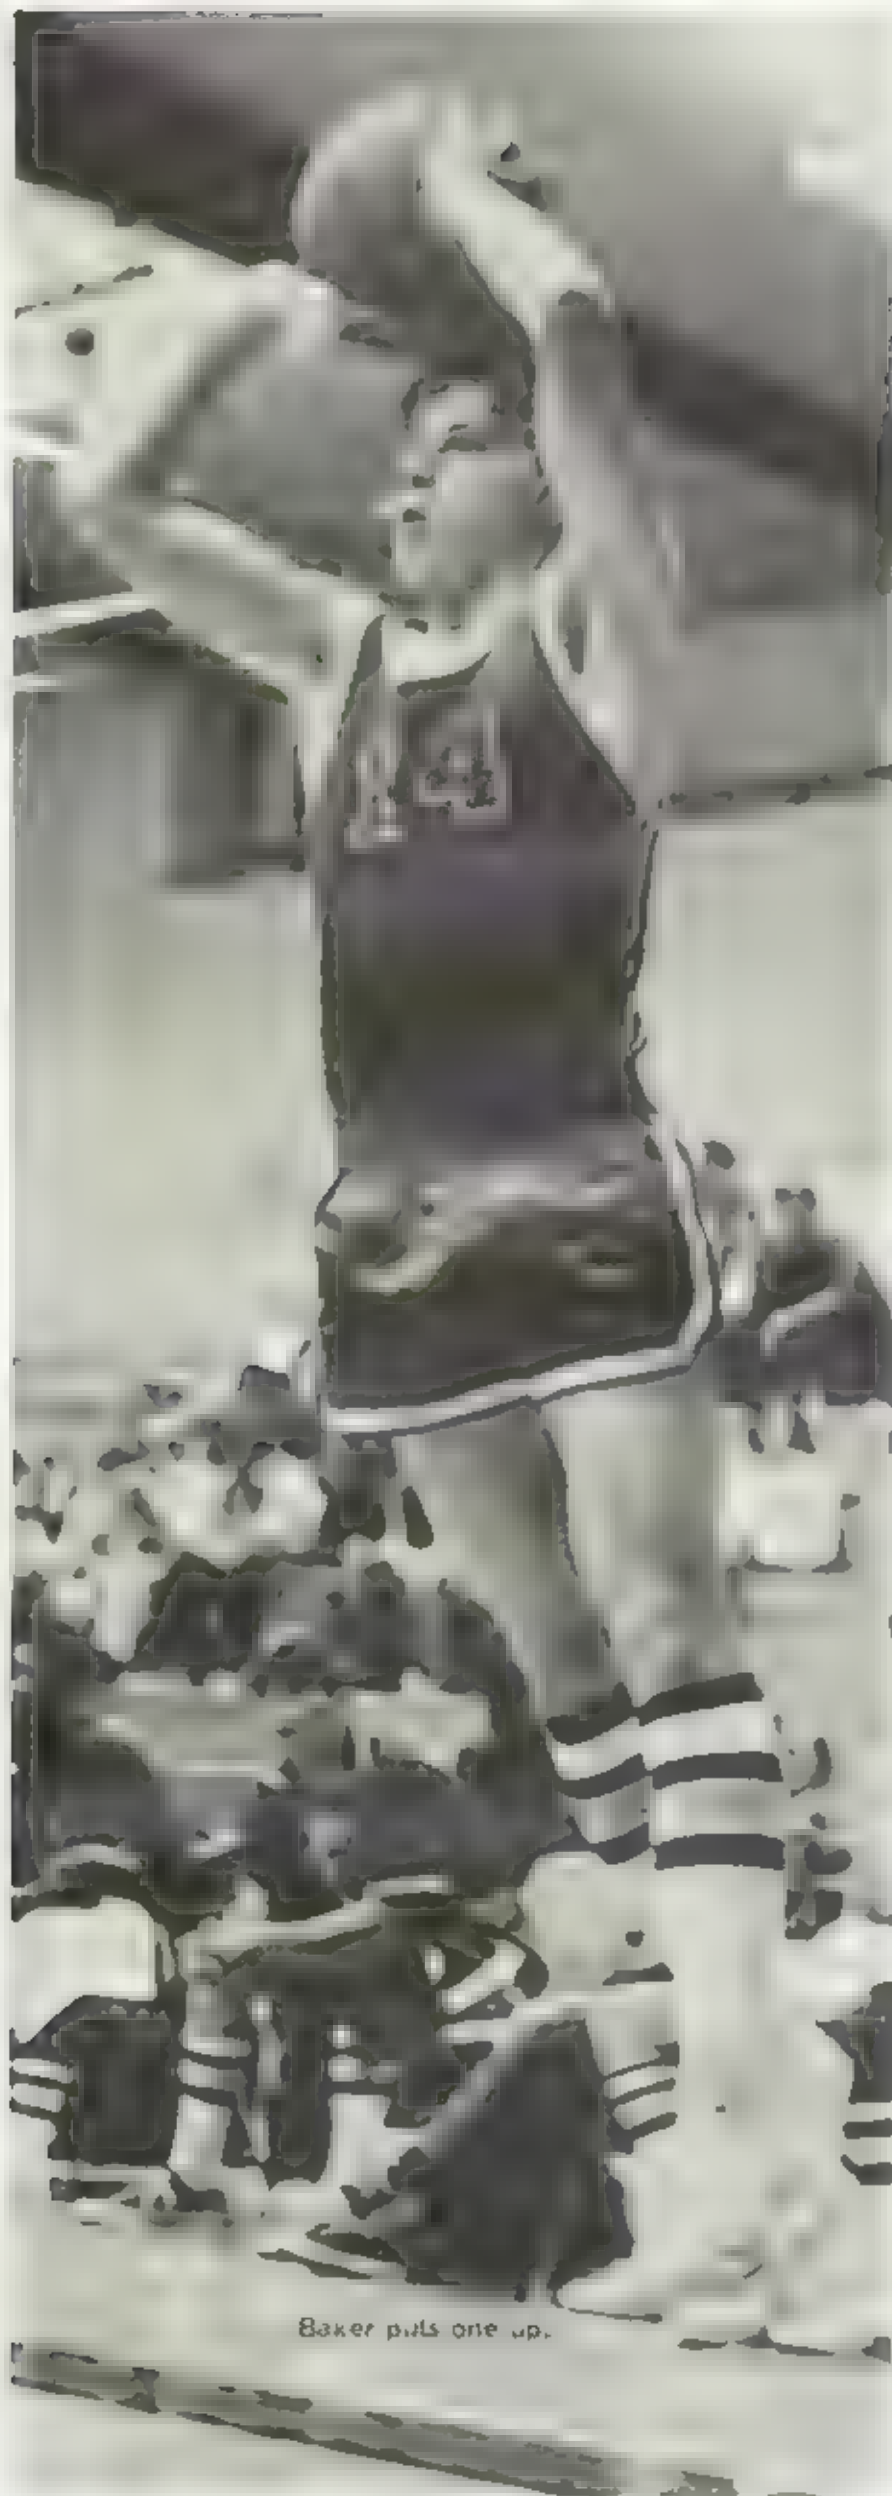

The team placed sixth in the San Andreas League, but should improve considerably next year as most of the players return.

Junior Varsity

Although this years J.V. team did not place high in league standings, the overall outcome of the season was definitely nothing to be ashamed of. Doug Baker, voted Most Valuable Player, proved to be the biggest asset to the team, averaging 18 points a game. The biggest thrill of the season was when the team beat the league champs, Norco, in a very rough game. With signs of much talent, we are looking forward to seeing these returning athletes next year.

Averaging 25 pts. a game, Mike Burris was voted as the team's Most Valuable Player. He and the other fine players show signs of a promising future for the Yucaipa High School Basketball program.

Golf

When these pages were being published, the 1975 Golf season was off to a great start. Coach Mike Lagather expects to have another winning season, and this will be the tenth season that the T-Bird golfers have been on top of the S.A.L. With Mike Schartell, Scott Campbell, Brian Renshaw, and Dennis Miller leading the team, Coach Lagather feels that they have a very strong chance of capturing first place in the league.

Varsity

At the time that these pages were being published, the Varsity Baseball team was off to a very good start with a record of five wins and four losses. Coach Rainey feels that players such as Lance Hallberg, Norbert Ramirez, and Danny Davidsmeier should lead the team to many other victories throughout the season. Coach Rainey also cited the team's excellence in pitching as demonstrated in close victories over Arlington and Bloomington. With juniors such as Danny Davidsmeier, Norbert Ramirez, Bret Williams, and Joe Redman returning next year, the Varsity Baseball team is expected to be very strong once again.

Tennis

Although a young and inexperienced group, the Tennis Team has done a lot better than most people thought they would, winning 2 matches and losing 8. Coach Strack felt that the team will definitely improve with experience, and in a few years should be the number one team in the league. Kathy Hansen, Joe DeSalliers, Bob McClain, and Randy Burke were very instrumental in helping the team this year.

Homecoming

Seniors take First Place

Queen Beth

As usual, the Homecoming Parade was a terrific success, with many people turning out to watch the beautiful procession of floats, queens, cheerleaders, cars, and the other regular delights, as they proceeded down Yucaipa Blvd.

Class members worked hard to produce beautiful floats for their respective class which corresponded with the theme "Movies". Of the four classes which built floats, the Seniors captured first place with "Around the World in 80 Days." The Junior class placed second with their interpretation of "Mary Poppins"; Freshmen took third with "Rock Around the Clock"; and the Sophomores placed fourth with "American Graffiti". A lot of credit goes to A.S.B. Vice President Jeff Ericks, who planned and supervised a very successful Homecoming parade. Mr. Carter, Grand Marshall

Jan Gustaffson, Comm. of Activities, coordinated all of this year's dances, in cooperation with the Student Council. Everyone looked forward to the ASB sponsored dances, not to mention the Homecoming Dance, Sock Hop, and the Junior-Senior Prom. ...and Assemblies

Brian Mathis, Assemblies Commissioner, kept the school entertained this year with several exciting assemblies. With such acts as Davey and the Corvettes, and an extremely memorable Christmas Assembly featuring the "Roto-Rooter Goodtime Christmas Band", the assemblies of the 74-75 school year were far superior to those of the past, in quality as well as in quantity.

Nostalgia — The '50's

Joining the popular nostalgic trend in America, the Sophomore class sponsored the second annual Fifties Day and Sock Hop. A large portion of the student body became involved by dressing up in the styles of the early rock and roll era. Bobby sox, leather jackets, saddle shoes, pony tails, and large amounts of "greasy kid stuff" prevailed on campus that day.

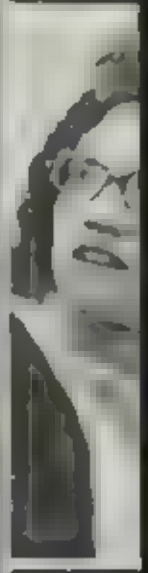

Marsha Wilde and Steve Figueredo were chosen at the day's assembly as Jane Cool and Joe Cool.

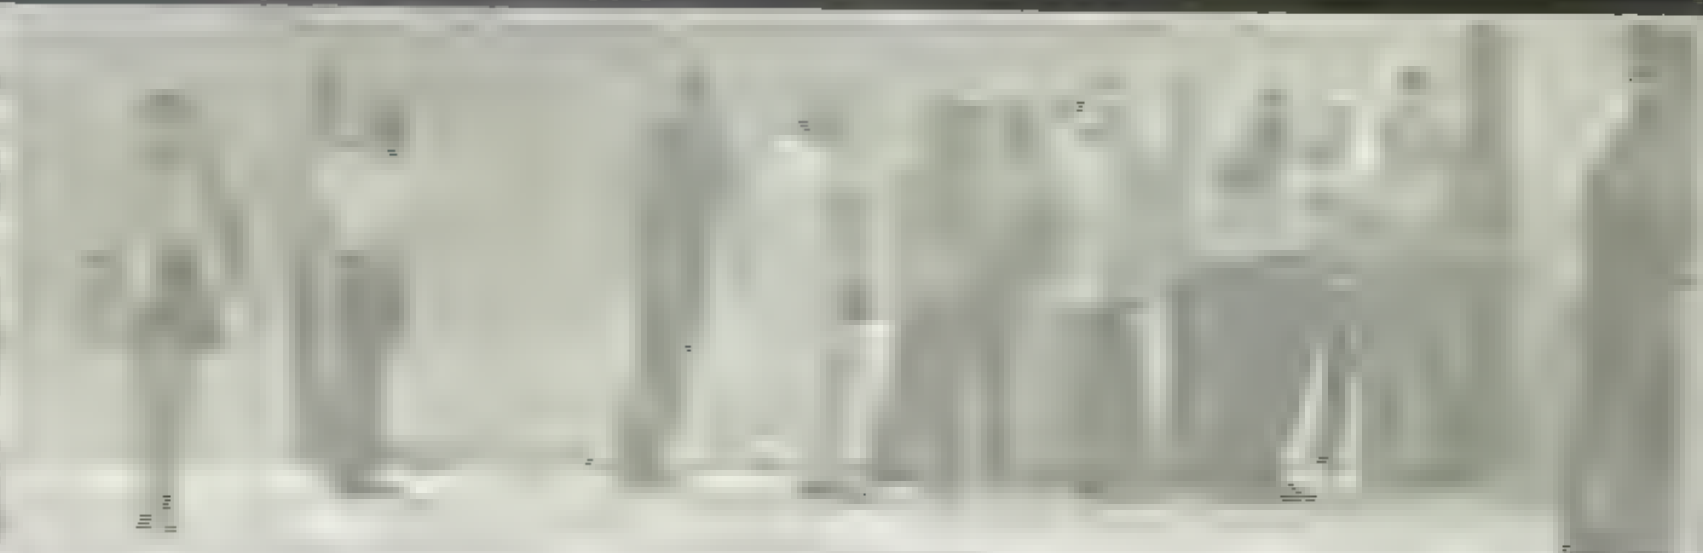

The highlight of the day was the Sock Hop which was held that night in the gym with Snotty Scotty and the Hankies providing the tunes from the "Fabulous Fifties", everyone there rocked and rolled for three and a half hours. During the dance, the sophomore Bee Bop Queen and her court, who had been elected at school, were announced. Teri McMillan was crowned Queen and her court consisted of Vicki Wheeler, Linda Bushnell, Lorraine Kerbs, and June Farrell. This retreat into the nostalgic age of the 1950's gave many students a temporary relief from the pressures of today, and we are looking forward to next year's Fifties Day, and the Sock Hop.

Class of Nineteen Hundred Seventy Eight

WE ARE PROUD OF OUR ACHIEVEMENTS. We are proud of our accomplishments. We had great class participation, especially in our Homecoming float. Let the Good Times begin. We also made close to a hundred dollars in our carwash, and with more good participation, we placed first in the carwash competition. Student Council

Under the leadership of Glen Preston, ASB President, and Mr. Kliengbiel, Student Council Advisor, the Student Council had a very profitable, and highly successful year. Also representing the school were Vice President, Jeff Ericks; Secretary, Dana Desselle; Treasurer, Karla Jacobs; and the various commissioners. These, along with six class officers from each class, made up one of the finest organizations on campus, the 74-75 Student Council.

Yearbook Funnies

The 1974-1975 Yearbook Staff of Yucaipa High School would like to acknowledge and express their gratitude to the following people:

Mr. Byron Thompson of the American Yearbook Co. for his much appreciated encouragement and assistance.

Roberts Photography for their dependability and expertise, not to mention their pictures (yeah Dick).

Mrs. Cramer and Mrs. Nance for their proof-reading and their general moral support.

The greatly needed patronage of the valley merchants, who make the whole yearbook possible.

The cooperation of the YHS Faculty and Administration, and their understanding nature on deadline days.

Mrs. Rosie Owens for helping on the sales, the bookkeeping, and really for just being there ready to help.

And of course, the YHS student body for the use of their beautiful faces.

Here's to a beautiful day.

The Yearbook Staff

Cal-ly amid the noise and haste, and remember what peace there may be in silence. As far as possible without surrender be on good terms with all persons. Speak your truth quietly and clearly; and listen to others, even the dull and the ignorant; they too have their story. Avoid loud and aggressive persons, they are vexations to the spirit. If you compare yourself with others, you may become vain and bitter; for always there will be greater and lesser persons than yourself. Enjoy your achievements as well as your plans. *Keep interested in your own career, however humble it is; it is a real possession in the changing fortunes of time. Exercise caution in your business affairs; for the world is full of treachery. But let this not blind you to what virtue there is; many persons strive for high ideals; and everywhere life is full of heroism. *Be yourself. Especially, do not let perfection. Neither be cynical about love; for in the face of all aridity and sterility it is perennial as the grass. *Take kindly the counsel of the years, gracefully surrendering the things of youth. Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with imaginings. Many fears are born of fatigue and loneliness. Beyond a wholesome discipline, be gentle with yourself. *You are a child of the universe, no less than the trees and the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should.

Therefore, be at peace with God; whatever you conceive him to be, and whatever your labors and aspirations, in the noisy confusion of life keep peace with your soul. *With all its sham, drudgery and broken dreams, it is still a beautiful world. Be careful. Strive to be happy. * * *

 when I stepped out of the car
 was the smell of the sea.
 It was a salty, sweet
 scent that I had never
